

This book is your ticket to a world of fun, excitement, exploration and satisfaction: the world of the iconic BMW E30 3 series. Starting with a quick model history, this book introduces the key features of the E30. Containing a detailed set of model guides to explain the differences and features unique to each, and an assessment of how useful and effective these are. The book's "How to" sections help you identify E30 problem areas, while a wealth of useful data and comparison charts help you choose which model is right for you. Details of parts costs, the relative difficulty or ease of the tasks needed to keep these classic cars in good order, specifications and a list of useful contacts in the BMW community "from clubs to specialists dealers are just a few more features of this jam-packed book. Written by a qualified engineer, and a racer with many years of practical BMW experience, the clear text and straightforward manner, supported with detailed photographs, means that this book is just like having a real marque expert at your side.
