

One month ago, Zara didn't know aliens existed, and now, she is not only one of them, but she is their royal; standing at the front line, fighting against the slavery of the human species. Half-breeds are a delicacy, and those in charge will do anything to stop the Lomazzos from ending their reign and the chance of owning a half-breed of their own. Lives will be lost, and others used as bait; the Lomazzos will discover a secret that none of them saw coming. A secret that might be the end of Zara and Jett, or might be the very thing that gives them the ability to cripple the alien species.
