

The U.S. Commercial Service (CS) of the International Trade Administration (ITA) helps U.S. companies—particularly small and medium-sized businesses—increase their international market share and sales. Through its global network of more than 1,700 trade specialists located in 107 domestic offices and 150 posts in 80 countries, the CS works one on one with companies through every step of the exporting process, helping them leverage world-class market research, promote their products and services in target markets, meet qualified international buyers and distributors, and overcome challenges and barriers that they may encounter while doing business in international markets.
