

There are an overwhelming number of changes taking place now. It's as if you began a long journey without a map, and the road, and even the destination, keeps changing as you travel. This year, as soon as you become accustomed to one alteration another will take its place. Changes are taking place in the higher dimensions that will affect your society and economies and influence the forward progress of humanity. Think of this book as a map or guidebook into the near future, showing you the new energy and the way it shapes your individual pathways. We want you to relax, let go and enjoy the journey. Angels are beings of love and light, and this book was channelled to help people look past the radical new changes to the happier world beyond.
