

HERE FOR YOUR DELECTATION IS THE SPECTACULAR AND RARE.....HAYDN: TWO OTHER CADENZAS TO HAYDN, CONCERTO FOR PIANO IN D MAJOR SHEET MUSIC.....THIS ITEM IS NOT TO BE FOUND ANYWHERE!!!Joseph Haydn's Keyboard Concerto No. 11 in D major (Hob. XVIII/11) was written between 1780 and 1783. It was originally composed for harpsichord or fortepiano and scored for an orchestra in a relatively undeveloped galant style evident in his early works, and has a lively Hungarian Rondo finale. On the other hand, being a somewhat later composition, it also shows more similarities to Mozart's piano concertos than do Haydn's other keyboard concertos. It consists of three movements: 1. Vivace 2. Un poco adagio 3. Rondo all'ungarese The first and second movements contain cadenzas. The original cadenzas, written by Haydn himself, have survived. This is the OVERSIZED (it barely fit in my scanner!) only stated undated PETERS EDITION. The sheet music is in excellent reading/playing condition---with no markings (see photo). Check my feedback to see that I sell exactly as I describe. So bid now for this magnificent, impossible-to-find CLASSICAL / PIANO SHEET MUSIC COLLECTIBLE.
