

About Instant America What is Instant America? Instant America is.. -Too busy to go to your sons little league game -The frustration with more Month than Money! -The overwhelming need to make more money -The inability to have the family life you work hard to attain! -Value placed on money rather than on what is truly important in life...family! If YOU have ever found yourself saying this, Instant America is for you! Author and poet, Lawrence Salone compels readers to examine the influence money has over their family lives in his second book, Instant America- Money and Its Influence Over Family. Salone chronicles how dedication to corporate America can lead people from their family. Learn how you can free yourself from Instant America and have a less stressful family life. Instant America delivers a simple yet practical way of getting money to work for you and allow you the FREEDOM to enjoy your family life!
