

New Interchange is a multi-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. The New Interchange CD-ROM, Level 1, provides engaging and enjoyable activities for users to do on a computer at home or at school. The CD-ROM contains 16 main units and is designed to be used alongside the coursebook to review and practice the language learned in class. At the core of each unit is a video sequence taken from the New Interchange Intro Video. There also four progress tests. In total, the CD-ROM gives learners more than 100 activities. This CD-ROM is Mac compatible.
