

Will you have a business-based marriage, a personality-based marriage, or a fantasy-based marriage? Marriage is an emotional business relationship between two people. They may look for what they wish they could be in one another (attraction of opposite types). In marriage, you experience the upward gush of your own infancy. There are many alternative classifiers of personality types, temperaments, styles, or neurological brain locations, and time and fun to try them all. Which one can help you find your soul mate? Which one can stand up to rigorous research and proof over many years? How many can be scientifically validated? This book discusses games soul mates play to survive and how it relates to good match/good fit/comfort and personality type.
